# 32MM ARCHITECTURAL GRIPPER

**Valid from June 2022**  
Subject to change without notification

## IDEAL WHERE GREATER HOLDING POWER IS NEEDED

<b>Safe</b>	<ul style="list-style-type: none"> <li>• Low formaldehyde plywood protects the installer's health and well-being</li> </ul>
<b>Australian skill and expertise</b>	<ul style="list-style-type: none"> <li>• Anchoring nails set to the right depth – never lose!</li> <li>• Setback pre-nails reduce chances of 'wall-strike'</li> <li>• Uniform pin heights – odd tips don't poke through</li> </ul>
<b>Strong</b>	<ul style="list-style-type: none"> <li>• High tensile Kongo® pin nails never bend or 'stand up' during stretching</li> <li>• 5-ply plywood won't break during handling and nailing</li> <li>• Kongo® 'black' anchoring nails never shatter or break</li> </ul>
<b>Quality</b>	<ul style="list-style-type: none"> <li>• Kiln dried 5-ply plywood avoids nail rust and timber bow</li> <li>• Original Kongo® Long-Point® pins and 'black' anchoring nails</li> </ul>
<b>Easy</b>	<ul style="list-style-type: none"> <li>• Sharp Kongo® Long-Point® pins penetrate the toughest carpet backings</li> <li>• A third row of pins for easy anchoring of stiff carpet backings</li> <li>• Short-grain plywood for quick cutting and fitting to any space</li> </ul>
<b>Economical</b>	<ul style="list-style-type: none"> <li>• No 'call-backs' on a quality Australian carpet gripper</li> <li>• Superior quality saves the installer time and money</li> <li>• Additional anchoring nails aren't required</li> </ul>
<b>Clever</b>	<ul style="list-style-type: none"> <li>• Your choice of short, medium and long pin heights</li> <li>• Grippers for any installation, carpet backing or traffic area</li> </ul>
<b>Made to Standard</b>	<ul style="list-style-type: none"> <li>• AS/NZS 2455.1 compliant in every way</li> </ul>

## PRODUCT SPECIFICATIONS

Specialized® Archi contains original Kongo® Long-Tip® pin nails in 3 neat rows to penetrate and grip dense carpet backings.

Hardened Kongo® 'black' anchoring nails secure this gripper to any subfloor without bending or breaking. Extra plywood width makes installation easier and provides extra strength when the carpet is fully stretched.

### 1.2m long

- 84 lengths/box - 32mm Archi Standard
- 70 lengths/box 32mm Archi Wood
- 70 lengths/box 32mm Archi 2-Hit Concrete
- 9kg box weight
